SEVEN RACES, INCLUDING A GEN-TLEMEN'S CUP CONTEST.

Derby Winner Third on the Derby Distance-Records Lowered at Worth-Other News of the Tracks.

NEW YORK, May 16 .- The classic Withers was run to-day at Morris Park and 30,000 persons saw the Coughacre stable candidate, Short Hose, gallop home in front at 7 to 1. R. T. Wilson, jr.'s Mexican was second, with Foxhall P. Keene's Injunction third. Perry Belmont's River Pirate, the favorite in the betting, ran prominently for three-quarters of a mile, and then died away to nothing, finishing a bad fourth. The weather was perfect, the track fast and the start good. The race was free from interference. Short Hose's victory stamps him as among the best of the thor-

oughbreds of the year. After a few minutes' delay at the post they were sent away for a good start. J. Martin at once rushed Mexican into the lead, with River Pirate second, Mesmer third and Short Hose fourth. This order was maintained down the back stretch and around the far turn. Rounding into the stretch, Hicks, on River Pirate, sent him up to the leader, Mexican, but it was only a flash in the pan, and he soon dropped back beaten. In the meantime both Haack, on furlongs, was an easy victory for Sylvia Short Hose, and Cannon, on Injunction, were | Talbot, who, coupled with Erema at 11 to 5 riding hard. WORTH RECORDS BROKEN.

Time for Mile and a Half and Four and a Half Furlongs Beaten.

CHICAGO, May 16 .- Two track records were lowered at Worth to-day. Dick Bernard, recently purchased by E. E. Smathers. of New York, from Sam Hildreth, lowered the Worth mark for four and onethird race. He did the trick handily in \$3.000 added, distance one mile and oneeighth, resulted in a neck victory for Nitrate, Little Scout second, Huzzah third. Little Scout and Au Revoir, coupled in the betting as the Bennett entry, were favorites at 2 to 1, and Nitrate, coupled with The Lady as Durnell & Herz's entry, was second choice at 3 to 1. Favonius made the early pace, closely followed by The Lady, Nitrate coming with a rush in the stretch, closely attended by Little Scout. The latter was badly cut off several times. Au Revoir was almost left at the post and never figured in the race. Weather clear, track fast. Summaries: First Race-One mile: Soothsayer, 99 (A. Hall), 17 to 2, won; Linguist, 112 (Dominick), 11 to 5, second; Gilfain, 102 (Birken-

Seven Races on the Card, Including Gentlemen's Cap Contest.

LOUISVILLE, Ky., May 16 .- With seven races on to-day's card it was one of the most attractive of the meeting, with the attendance second only to that of the opening day. The weather was good and the truck fast, as evidenced in the Frank Fehr stakes at one mile, when Captain Hugh Bradley, an outsider, got the money and covered the distance within three-quarters of a second of the track record. It was the best mile of the meeting

Society was out in force, attracted by the gentlemen's cup race. The race was run without accident, Mr. Burton, on Lou Rey, winning a splendid race. Summaries: First Race-Five furlongs: Merry Pioneer, (J. Reiff), 5 to 1, second; Brancas, 105 (Lindsey, 8 to 5, third. Time, 1:021/2.

COOPER AND KISER WILL MAKE THAT SPEED IN MATCH RACES.

Fair Grounds Decoration Day-Sommers's Racing Views.

Making a speed of seventy miles an hour on the stretches and forty miles on the turns and guaranteeing miles in 1:10 or better for five miles will make the big match automobile race between Tom Cooper, of Detroit, and Earl Kiser, of Dayton, at the state fair grounds track on Decoration day afternoon the most exciting race ever witnessed in Indianapolis. Arrangements for half furlongs one-fifth of a second in the the big match have been completed and the daring drivers will bring their big racing :54 2-5. It is necessary for drivers in big races to tectural features which make a strong conknow every inch of the track and these men must acquaint themselves with the has fallen head over heels in love with track before participating in the race. C. G. Fischer, who is promoting the big his house with all sorts of rustic imposautomobile races on May 30, says the vari- sibilities, which look doubly foolish because

neighboring States have taken a great interest in the coming races and have signifled their willingness to drive in the auto events. There will be a five-mile race for in the large cities for gentlemen drivers of fast horses. Two other events are on the programme. One is a five-mile handicap for motor cycles, 1:40 class, and the other a three-mile race for the same kind of ma-chines in the 1:30 class.

ENORMOUS CROWD EXPECTED. Great preparations are being made for the races and they will attract an enormous crowd. The street-car company has guaranteed adequate street-car facilities to the fair grounds for that day to haul the crowd, as it is estimated that at least 15,000 people will witness the races. Excursions

Automobile races of a very tame nature, compared with the coming events, were given at the fair grounds last summer and races. The meet to be given on May 30, a week from next Saturday, will be equal to the sport seen in the National Circuit. Indianapolis would have had National Circuit races early this season, but the circuit was so arranged that Eastern cities were bene-Mr. Fisher is confident that the crowd that will see the races on Decoration day will warrant the Indianapolis promoters to bring the National Circuit drivers here early in the fall.

Earl Kiser were induced to leave the big circuit to race in Indianapolis on Decoration day, as he offered them a purse of \$1,000 for their five-mile match. This race alone will be equal to any seen in the big circuit, and, in addition, the other events will be more thrilling than Indianapolis and Indiana people have ever seen. "Few persons in Indianapolis have ever witnessed a real automobile race," said Charles W. Sommers, one of the most enthusiastic chauffeurs, yesterday, "and they cannot conceive how exciting, thrilling and

Mr. Fisher said that Tom Cooper and

"I was in Toledo last season when Tom Cooper and Barney Oldfield drove their fivemile match and saw Oldfield break all records from one to five miles. Part of the time he went faster than a mile a minute and as the big machines made the turns dirt was thrown on the people who lined the fences around the track. After I saw one good race last season I went to every city where races were held, as I think it is the most exciting sport of the century.' Two big racing machines that will cost \$5,000 each are now being built at the Mohawk factory in this city. One will be used by Earl Kiser, and will be known as the Mohawk, and the other will be raced by Carl Fisher and will be named the Indiana. It is expected that they will be fast enough to break all world's records. Efforts have been made to finish the machines to be used in the Decoration day races, and thirty machinists are working on the various parts. It is hardly possible that they will be ready for record trials by that time. but will be seen in Indianapolis when the races are held next fall.
